New England Hist. & Gen. Register Vol61, pages 26-30 gives the following

Edward[5] Everts born Mar 3, 1752 at Guilford, Conn.

American Ancestry for City of Albany,N.Y. (Hughes 1877) page 27 gives the following data

Edward Everts born 1752 died 1837;married Selphina Culver; his father was Caleb Everts who married Elizabeth Stocker and his grandfather Judah Everts who married Mary Egleston.

Edward had a son Marshall born 1802 who died in 1884. Marshall's wife was Lovina Green Reed and they had a son who was Noah Reed Everts of Albany.

Edward[5] Everts son of Caleb and Elizabeth was born Mar. 3, 1752 at Guilford, Conn.; married Selphina Culver. Names of the children who were alive in 1853 are to be found in the renewal(in the Oct. 14th, 1853 deposition) of the Rev. War claim of Edward Everts by his son Edward J. Everts.

However there have been more children than these:

Ebenezer Everts born 1789 died 1832 see further data
Edward J. Everts born about 1799 died last part of 1853 or first of 1854;married Lucia born about 1793 in Mass.;
Marshall Everts born about 1802 died 1884 married Lovina Green Reed; had a son Noah R. Everts of Albany.

Edward[5] Everts was living in Sunderland,Vt. at the time of the Revolution according to his statement in his pension application. His son Ebenezer's bible record states Ebenezer was born 1784 in Sunderland and the 1790 census lists Edward Everts there.

The Pension Applications for the Rev.War at the U.S. Archives has the following file
Edward Everts Vt. R 3407
August 23,1832 Chenango Co. N.Y. Edward Everts of Greene, Chenango Co.,N.Y. made an application to obtain the benefits of the Act of 7 June 1832 stating
Residence at enlistment- Sunderland,Vt.
Service- 8 months in all- was in the Militia in the summer of 1775 under Capt. Comstock and Lieut. Eli Bronson; enlisted for 2 months under Capt. Hutchins; fall of 1776 was under Capt.D.Comstock, Lieut. Eli Bronson Col.T. Bronson; was 2 months at Mt. Independence; was in the militia called out at various times until the end of the war, always as a volunteer.
Birthplace- Guilford,Conn. Mar 3, 1752 recorded in the town clerk's office.
Residences- During the Revolution- Sunderland,Vt.
Since then- Granville,Washington Co.,N.Y
Pollet,Rutland Co.,Vt
Hillsdale,Columbia Co.,N.Y.
Greene,Chenango Co.,N.Y.

Brief (on another sheet) outlining reasons why this application was unsatisfactory;-
Length of service was not satisfactorily mentioned
Each tour of service should be separately and distinctly alleged. No allowance being made for an alleged aggregate service composed of different tours without such tours being distinctly narrated.
(No other reasons are given)

Jan 29th1833 Edward Everts of Greene,N.Y. again appeared before the Chenango Co., N.Y. court and asserted that due to old age and consequent loss of memeory he could not give the precise length of his war services; but believes his total service to have been at least 8 months.

(As it can be seen by comparison the services Edward Everts claimed in his pension application are under the same officers as those services assigned to Edward Everts in the Vermont Rev. War Rolls.
The rejection was only on the grounds that the application was not sufficiently detailed)

Chronologically the next papers found in this pension file of Edward Everts are dated nearly twenty years later. On Nov. 13th, 1852 Abel Everts of Greene, Chenango Co., N.Y. gave his power of attorney to a Washington, D C. lawyer to investigate the status of the claim. Abel Everts was a grandson of Edward Everts; Abels's father being Ebenezer Everts who died in 1832 in the same month that Edward Everts made his first pension application.
The next year Edward J. Everts put the matter in the hands of an attorney of his home town. This last paper contains genealogical data of interest.

Oct 14, 1853 Edward J. Everts of Harford, Cortland Co., N.Y. stated he was the son of Edward Everts formerly of Sunderland, Vt. and late of Harford, N.Y. deceased. Edward J. Everts gave his power of attorney in this paper to Erving Taintor of Harford wwith permission to examine all paper concerning the case as well as power to receive any certificate which might be issued for the Revolutionary War claim of Edward Everts; which certificate should be made payable to the heirs of Edward Everts who were:
Marshall M. Everts and Edward J. Everts
Adah Huntington
Miranda Finch
Silphyna Potter
Almera F. Clark

(There is nothing in this file of Edward Evert's pension application to show that the case was ever reviewed. Possibly this was due to the fact that Edward J. Everts died less than six months after signing the paper outlined above. His will was probated in Cortland County N.Y. on April 24, 1854
However despite the uncorrected pension application rejection, the records show plainly that Edward Everts of this family served as a private in the Revolutionary War from Vermont as related on the Vermont State Rolls also quite possibly further as he claimed) and that he must have been honorably discharged because of the Pay Roll date of 1783 for services in 1780 - see Vermont Rolls page 601)

Edward[6] J. Everts son of Edward and Selphina was born about 1799; married Lucia - born about 1793 in Mass. This information is from the 1850 Cortland Co.,N.Y. census. At this time he had living with him only his wife and Van Rensselaer Young aged 10 years. If he had had sons they must have been dead when his will was probated in 1854.

The court citation from Cortland County,N.Y. that follows was copied from the one found as a loose sheet in the Ebenezer Everts family bible.

Cortland County,N.Y. Citation to the following to attend the probate of the will of Edward J. Everts,late of the town of Harford April 24,1854

Certain family relationships known to Hattie Everts Mills (Mrs Frank Mills) daughter of Joseph J. and Mary P. Everts were put into writing April 7th,1944 at the home of her daughter Mrs Harold Boardman of West Water St.,Elmira N.Y. Mrs Mills mother and father were both surnamed Everts and both were greatgrandchildren of Edward born 1752

These records were checked with and added to by the 1850 and 1860 census records to aid in a compilation of the family outline to be found on later pages.

Ebenezer[6] Everts son of Edward and Selphina was born 1784 and died 1832; married Lovina Southwick; children as shown in the bible record. Ebenezer's gravestone may be seen in Chapel Cemetery, Coventry, Chenango Co. N.Y. (vol.46, New York State Records, D.A.R. Lib. p.2)

* As a loose sheet in this bible was a copy which from the style of handwriting would seem to be over 50 years old. In it the two dates marked * have the figure 4, however this figure in the bible resembles a 9. 4 is probably correct as that is the figure used on Ebenezer's stone both as to date of death and age - "died Aug 14, aged 48"

The name Everts so spelled in the bible is spelled Evertts throughout in the copy. Hattie Everts Mills believes her father or her grandfather Abel the one who adopted the spelling of the name with the double t.

Descendants of

WILLIAM DAVIS, of old Albemarle, Co. Va.
and his son
JOHN DAVIS, of Clinton Co. Indiana.

The following data was found in the ancestral home of the Stookeys near Frankfort, Ohio; a descendant, Mrs. Mary KEIM McIllvaine and her 3 children reside here.

CATHERINE STOOKEY was the eldest dau. of ABRAHAM STOOKEY and EVE(BUSH)STOOKEY, his wife, who came to Ohio, from the South Branch of the Potomac in 1800. She was b. 9-I-1805 in Ross Co. O. and d. 2-27-1863, in Clinton Co. Ind. Catherines brothers & sisters were Isaac, Amy, Delilah, Joel, Mahala
ABRAHAM STOOKEY was the son of MICHAEL STOOKEY and grandson of Jacob Stookey. A will found at Moorefield, W. Va. in Will Bk. #I, p. 226, of Jacob Stookey Jr. a son of Jacob Sr. gives this information.

A History of Ross Co. O. 1922, gives a short history of Abraham Stookey and his wife, Eve Bush Stookey.

ABRAHAM STOOKEY(6-4-1772, d. 6-28-1858 m. in 1803 to EVE BUSH(10-31-1782, d. 3-4-1860) Recorded in Marriage Bk. I, Ross Co. Vol. A*B, the first marriage on record in Ross Co. Both are buried in STrader Hill Cemetery, near Austin O. (Dates and names still legible in 1947)

EVE BUSH STOOKEY was the dau. of Michael Bush(I-10-1750 d. 8-10-1825) and Magdalene Bush(8-15-1752, d. 5-5-1821). (Names and dates still legible on tombstones in Strader Hill cemetery, near Austin, Ohio, in 1947)

Michael Bush, son of Lewis Bush, a Rev. War hero (mentioned in Pendleton Co. Hist. of W. Va. p. 395. Clara G. Mark of Washington C.H. Ohio, compiled a hist. of this family in 1936. Lewis Bush was excused from military service due to the infirmities of old age in 1794. Lewis was the son of John Jacob Bush, who came to America from Germany at age of 20, in ship Princess Augustus, landing at Philadelphia in 1736. Lewis had 7 children, 3 went to Ohio, Michael, Leonard, and Sarah. A deed in Moorefield W. Va. vol. A, p. 91, 1798, shows, "Lewis Bush and wife to Abraham Sholle, 77 acres on Mill Creek".

Michael Bush, b. in 1750, and Magdalene had 4 children, John Michael Jr., Elizabeth, and Eve, who m. Abraham Stookey, 1803.

Mr. Jesse Bryan, of Decatur, Ill. has compiled a hist. of the

Stookey and Allied Families,and has much data on the earliest Stookeys,who came from Switzerland and France,and as early as I796,a party including,Daniel Stookey,Abraham Stookey,Abraham Eyeman,Leonard Carr, and a Mr.Whetstone,led by a preacher,David Bradgeley of Hardy Co.Va.,came to the"Illinois Country",searching for a location for a colony of I50 people,"Object Colonization".This horseback party returned to Va.in I797,where Daniel Stookey m.a sister of AbrahamEyeman's wife,named Whetstone.

II.JOHN DAVIS returned to Va. about a year or so after his marriage in I823 to CATHERINE STOOKEY,to visit his parents for the last time.His mother gave him some family relics and a feather bed,which he took to his home in Ohio,on horseback.

In I826,leaving their first two born sons with their parents,on the Stookey homestead,of 700 acres,in Ross Co.Ohio,these two braved the dangers of the new world and went westward ,where they settled on the high banks of the Wabash River,where Purdue University now stands.But the Indians from across the Wabash stole his stock,and the river often washed out his crops,so he sold this land and went about 20 miles eastward, where he purchased 600 acres of land,2½ miles north of where Colfax,now stands.Here he established the present DAVIS HOMESTEAD,about I830,where he and CATHerine lived out their lives,and are buried in the Union cemetery,near-by,a short distance from Clarks-Hill,Indiana.Some of their children are also buried here.Names and dates,legible on tombstones.

ANDERSON, BROOKS, DAVIS, STOOK FAMILIES

of

SCOTLAND, MARYLAND, VIRGINIA, OHIO, INDIANA

compiled by
FLOSSIE DAVIS KONOPACK JANUARY, 1949

300 Bruce Road
Lockport, Illinois

Descendants of

WILLIAM ANDERSON of SCOTLAND, PRINCE GEORGE'S CO. County, Maryland, and Virginia

WILLIAM ANDERSON, b. I693 in Scotland, of a family of considerable prominence in the Highlands, implicated in the rising of I715 in behalf of the Pretender, Prince James, son of James II, fled in disguise, thru England to Virginia. Receiving remittances from Scotland, he purchased real property in Maryland and Va. By I738 he owned plantations in the Conegochiege Manor, in Prince George's Co. Md. one which was called "Anderson's Delight", he sold to Dr. George Stewart of Annapolis in I739. A great-great-great grandson, James House Anderson owned a survey and plat of this estate which had been owned by many people and made several long journeys. In the I8th century it was taken to Va; in I806 to Ohio by his son Thomas; thence to Indiana by James and Priscilla House Anderson; thence to Linn Co. Mo., by James Madison Anderson, and finally sent back to Ohio in I876 to James House Anderson.

WILLIAM ANDERSON built a hunting lodge high up on Knobley mountain. He purchased the beautiful, rich fertile land along the Potomac, below him and his plantation "Anderson Bottom" included the side of Knobley Mt. This was then a wilderness and most of his neighbors were savages. When Hampshire Co. was organized, it embraced "Anderson Bottom" plantation, which was only 5 miles from Fort Cumberland, erected in I754. Later as the infant settlements sprang up, he defended them from the murderous incursions of the Indians. His military experience in Scotland became of use to him. In June, I755 he recruited a company of soldiers in the Valley of Virginia, which joined General Braddock's Army at Fort Cumberland, and altho' disastrously defeated by the French and Indians near Ft. Duquesne July 9, I755, these Virginians sustained their ancient reputation for valor.

Summary History of Bible- Page 963 quotes a Dr. Lardner and also a Dr. Mill and a Dr. Owen.

There are no pages left that supply the date of publication or the name of the publisher of the old Bible from which these records were taken.

This Bible came to me from my mother who was the sixth daughter of William Armstrong Wood and his fourth wife, Maria Hall Hodgman. My mother's name is Anna Maria Wood, Mrs. Oswald Lockett.

In the family record, Marshall Hodgman and Lucy Hall were the parents of Maria Hodgman who became Mrs. William Armstrong Wood. The Ann Hodgman was, I feel sure, a sister of Maria Hodgman.

Jan. 29, 1889.

Hon. Charles Becker,
State Treasurer,
Springfield, Ill.

Dear Sir:-

By to-day's express I send you a small chest that should, from it's historical association, be now the property of the State of Illinois; and you being the State Treasurer, and from this, the home county of the First Treasurer, it is most meet and proper I believe, to offer it to the State at your hands.

This chest was the treasurer box of the Territory of Illinois from 1812 until Illinois was admitted into the Union and then filled the same purpose for the new State for about one year.

Your early predeccessor, the Hon. John Thomas, was, as you are well aware, the Territorial Treasurer by appointment and was afterwards elected as the first State Treasurer and he used this chest as the depository for the public monies while in his hands during the time he was in office.

The genuineness of this relic is well authenticated by evidence that have been in the possess-

ion of the writer's family for seventy years. It is a plain, old fashioned, modest little box, quite in keeping with its day and no doubt ample enough for the demands upon it then, as a receptacle for the State's money. A comparison of it with the State's Treasury vaults of to-day will show (in one way) the wonderful growth in wealth and importance of the Common wealth in a time within the memory of many yet living. If you will permit me I will ask of you the service of presenting it to the State, hoping it will be acceptable as a reminiscence of early times in theTreasurer's office and prove of some interest among thememorials in the State House, should it be placed there.

I remain with high regard,

Your friend and fellowtownsman,

James H. Thomas.
